easy **LANGA** 2.0
MARKETING SOLUTION

We **split** also our...

...eyes in order to make the Hey network a valuable sales tool, able to sell what the small companies can't even imagine. We do not sell marketing services, but a method to create and manage your Marketing.

Quality management for a quality service.

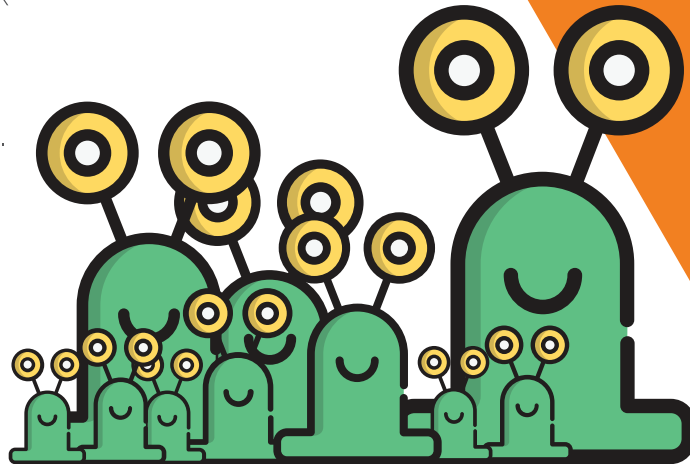

A great Group

The **LANGA** organisation is represented by a great commercial group. The company sells its own Marketing method both through its agent's network and through the Hey Sponsor, which helped the resale of services thanks to the Resellers' network.

Today, there are more than 60 authorized resellers.

Keep calm,
and let us explain
you the **Marketing**

1 LANGA WEB

CORPORATE DIVISION DEALING WITH PROGRAMMING

It creates dynamic web platforms, adaptable through its own IT technologies. Responsive websites, customized programming, APP and social marketing management are at the base of the main processes of the coding department.

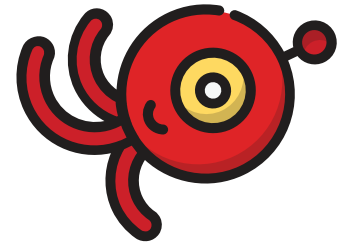

Our divisions

INFORMATICS, ALWAYS ON OUR SIDE

2 LANGA PRINT

CORPORATE DIVISION FOR DIGITAL PRINTING AND GRAPHICS

This division realizes the most extravagant digital graphics on the market and the related printing, if needed. Graphics for road signs, bottle labels, brochures/depliant and high-impact sensory campaigns are the main activities of LANGA's Creative Group.

3 LANGA VIDEO

CORPORATE DIVISION MANAGING THE VIDEO SHOOTING AND EDITING

Thanks to the Video Making division, the Group is able to carry out great shooting and postproduction of video sequence. TV Advertisements, business presentation videos, ceremonial videos and 3D Videos are made by the Video division, with no limits to imagination.

We are one of the most **awarded** companies ever: experts in the Graphics and web codification field have judged our work as one of the best.
